

## **Take nature to new heights at the Drakensberg Canopy Tour!**

Situated in an indigenous forest of the Central Drakensberg, in the shadow of the towering Cathkin Peak, the Drakensberg Canopy Tour awaits you. Boasting Africa's first elevated rock face walkway with a good mix of both cliff face and treetop platforms, and cable slides over the forest up to 60 metres high, the Drakensberg Canopy Tour must automatically go to the top of your "must do" list.

Experience nature like never before as you slide through the forest canopy and enjoy a unique birds-eye view on the world around you. Set within the magnificent Blue Grotto forest, the Drakensberg Canopy Tour is guaranteed to take your breath away. The forest is home to over 150 species of birds including the rare Bush Blackcap.

Led by trained guides as you glide between platforms perched in trees and on cliff faces, allow your senses to flood with the timeless atmosphere of the forest. The inspiring nature of the majestic Drakensberg, the ancient indigenous forest, waterfalls and the cascading stream make this an opportunity not to be missed.
